PROPERTY DESCRIPTION

Temporarily unavailable while making a few updates. What a great spot to raise a growing family. There's room for everything and more. There's even a stage in the great room to encourage creative little ones. You might need to keep a hook on hand for the bigger hams in the crowd. You could host a swimming, tennis and free throw triathlon in your own backyard! The cabana is currently outfitted with cardio equipment and weight machines and the bathroom has a lovely sauna to sweat away any latent aches and pains.
